

# What our clients say about us...

*'We found Brendan Harney of Homerise Construction an extremely capable and professional builder to work with. Our house was built on time and within budget. Brendan managed the whole project efficiently and was very approachable for any changes which we sought to our design. I would have no hesitation in recommending Homerise Construction to anyone'*

*- Cathal O'Boyle*

*'My experience of Homerise Construction has been very positive. The builder Brendan Harney is easy to deal with and I was very satisfied with how he managed & executed the project. Any issues during the build or since he has always been on hand to sort. I would have no hesitation in recommending Homerise to any prospective self build'*

*- Ian Nolan*

*'We found Brendan Harney (Home-Rise Construction) very professional and easy to work with. He was always willing to accommodate our ideas and offer suggestions which were very helpful. Also back-up after the project was finished was second to none'*

*- Nigel Levis*

*'Home Rise Construction looked after the construction of our property in Naas in 2010. We are very satisfied with the finished product and found the price very competitive without taking away from the finished quality of our house. We found Brendan very easy to work with throughout the course of the build and would recommend him for anyone who is considering building a new home'*

*- Alan Hennessy*

*'Highly rated builder and well recommended, good service from start to finish'*

*- Melanie Nolan & David Lindopp*

*'I am happy to recommend Home-Rise Construction. Brendan Harney is very helpful with advice and information. Work quality is excellent as are all his trades men.'*

*- Stephen Flannery, Flannery Nurseries*
